OMT VEYHL®

Product Specs

CONVERSION TABLE

A healthier work environment starts with the option to sit or stand throughout the day. Our Conversion table is the industry standard in height-adjustable products, and your first step towards improving the efficiency and well-being of any organization.

Customizable to your standards, Conversion can support benching for multiple workstations or be used as stand-alone solutions. This kit supplies everything you need to assemble your height-adjustable table base. Just add your own work surface to personalize.

FEATURES

- Full table base (add your own work surface)
- Meets BIFMA X5.5 standards
- Choose from fixed or adjustable height columns (Electric, Pin or Crank)
- Over 150 color options
- Supports 250 lb. load

level 2

ERGONOMIST APPROVED
